

Nistamia *Ointment*

Nystatin BP 100,000 IU/g Vaginal Ointment

Composition:

Each gram contains:
Nystatin USP 100,000 IU
Ointment base q.s.

Indication:

Nystatin belongs to the group of medicines called antifungals. Vaginal nystatin is used to treat fungal infections of the vagina. Vaginal cream or tablets may also be used for other conditions, as determined by your doctor.

Drug interactions:

Although some medicines should not be used together, in other cases, two different medicines may be used together even if an interaction might occur. In these cases, your doctor may want to change the dose, or other precautions may be necessary. Inform your healthcare professional if you are taking any other prescription or over-the-counter (OTC) medicines.

Warnings and Precautions:

Consult your doctor if you have ever had an allergic or unusual reaction to this medicine or any other medicine. Also, inform your healthcare professional if you have any other types of allergies, such as to foods, dyes, preservatives, or animals. For over-the-counter products, carefully read the label or package ingredients. Many medicines have not been specifically studied in elderly people. Therefore, it may not be known if they work exactly the same way as in young adults or if they cause different side effects or problems in older people. There is no specific information comparing the use of vaginal nystatin in the elderly with its use in other age groups.

Wear cotton underwear (or panties/tights with a cotton crotch) instead of synthetic underwear (e.g., nylon, rayon).

Wear freshly laundered underwear.

Dosage:

For the treatment of fungal (yeast) infections:

For the vaginal cream dosage form:

Adults and adolescents – One dose of 25,000 to 100,000 units inserted into the vagina once or twice daily for two weeks. Alternatively, your doctor may want you to insert an applicator containing 500,000 units into the vagina once daily.

Keep out of the sight and reach of children.

Store at a temperature not exceeding 25°C.

Do not freeze.

Presentation: 15 g tube.

Manufactured in India:
